

UCF Alumni Association Member:

The UCF Alumni Association is pleased to announce the establishment of a parking permit for members of the alumni association. As of August 2002 the UCF Parking Services has established an avenue for alumni to purchase a parking permit. **Members of the UCF Alumni Association can purchase a Staff C permit.** This permit has the same privileges as both RP and regular Staff permits (authorizing you to park in any staff or student lot, which includes any parking garage).

**Members must not fall under other categories covered by parking services such as: students, faculty or staff.** Members that fall under the above categories are required to purchase their respective parking permit.

**This letter along with your valid UCF Alumni Association membership card serves as proof of your eligibility to purchase this special "UCF Alumni" (RP) parking permit.**

Serving our members Knight and day!

**GO KNIGHTS!**
